

72-HOUR KIT

12-Week Challenge WEEK EIGHT

To make the process of assembling kits more manageable, try selecting one task to work on each day of the week. This will help you make steady progress towards your goal.

SATURDAY

Week Eight:

For week eight of the challenge, we are stocking our kits with an Emergency Weather Radio and Rain Ponchos. I recommend one weather radio per family, but if your budget permits and you have the space, you could add additional radios.

***Review weeks two and three of the challenge and ensure you are staying up-to-date on the items you need for your kits.
